

What is ENCORE Learn?

ENCORE Learn is an association of retirement-age people who share a love of learning. Established in 2001 by a steering committee of retired adults, ENCORE is a member-run organization.

What ENCORE Learn Offers

ENCORE partners with Clatsop Community College to offer short-term courses, which are often led by members and cover a wide range of topics, including science, health, art, music, literature, history, writing, religion and current events.

- No tests, no grades
- No compulsory attendance
- No homework

... Just plenty of enjoyment, enrichment and friendship. Members decide what they want to learn and how they want to learn it. They put on their own classes, invite guest speakers, discuss current issues, read books and keep their minds active.

Social Opportunities open to all members for themed get-togethers and socials. Locations will vary.

Lunch Bunch, held the first Friday of most months at various locations, is a great way to meet other members!

Note: In-person socials/lunches must adhere to COVID-19 guidelines.

Who Can Join?

ENCORE is a membership organization open to retired and semi-retired adults age 50 and over who enjoy intellectual stimulation and the opportunity to meet new friends. Dues are paid annually, entitling members to enroll in any class offering at no charge. Occasional fees may be necessary for special classes.
