What is ENCORE Learn?

A membership association of retirement-age people who share a love of learning. We are a member-run, nonprofit that is an affiliate of Clatsop Community College.

What does ENCORE Learn offer?

We offer short-term courses led by members or others in the community. Classes cover a range of topics, including science, health, literature, art, history, technology, writing, gardening, music, nature, human interest, current events, and more.

No tests, grades or homework, but plenty of enrichment and enjoyment! Classes are designed to fulfill ENCORE's commitment to lifelong learning and keeping our minds active.

Educational and social activities include local tours and field trips with opportunities to experience historical, geographical, cultural, and industrial sites, or special events that define our region. Join us at our annual picnic, monthly "Lunch Bunch," holiday celebrations, and events to meet and connect with others.

Who can join?

ENCORE is open to adults ages 50 and over who enjoy intellectual stimulation and the opportunity to meet new friends. Dues are paid annually, entitling members to enroll in any class offering at no charge. Occasional fees may be necessary for special classes or events.

Where and when?

ENCORE primarily holds in-person classes, usually at the Astoria Senior Center. Other classes are held via Zoom. Classes meet during the daytime (no nighttime driving!).

Want to get involved?

As a member-run organization, our volunteers plan our classes, activities and events, teach classes, and serve in leadership roles such as on committees or the Board of Directors. Members also have opportunities to help with specific projects or one-time events.

Is ENCORE Learn for you?

If you love learning and want to meet or get involved with others who share your interests, yes, ENCORE Learn is for you!
