

Minutes for Curriculum Meeting June and July 2025

No minutes from June as we did not have a quorum.

Announcements: Rosa has resigned. Tess is back with the committee as a member. On our website, there is a new form for those who have the inclination to teach /propose a class.

Recent success in achieving new members can be attributed to Josh, our liaison from CCC, who is very involved and interested in working with us AND Sharon's outreach to the Veterans Community and the Chamber of Commerce and others. Also posting on Facebook, Next Door and flyers have brought attention to ENCORE. And a reminder to talk to neighbors and friends, as that is also helpful.

New Business: Next month the Curriculum Committee will meet at the Umpqua Bank for our meeting. All ENCORE committees will also move to that location and follow their usual schedule. Curriculum 2nd Wednesday.

Summer Classes: Ocean impacts on our Coast will be completed on July 14th. Nutrition Classes are July 11, 18, 25. Taught by Korinne of Natural Grocers.

Summer Field Trip to Camp Rilea is July 29th 1pm.

Other upcoming ENCORE events: Lunch Bunch Aug 1st

Needed: Secretary for this committee. Any one interested??

We reviewed the types of classes we have at ENCORE: Academic, Special Presentations, and Field Trips. Explanations attached.

We reviewed the Fall 2025 lineup, which is attached.
